history
when i was young i would like to be
a techinitian of computer and to be
a rich man that why i may contineu to
study until now

about me
my name is nkunda aime stiven
phone number 0788930002
email nkundaaimestiven@gmail.com

How am i expect
to achieve the goal when
i will be finish to study?

there are several ways i will using for facilitate me to achieve
or to gate more skills i may work hard and focuse on what i wont.
it's better to be with those people that have to ecourage me and
motivate to do some thing wich is better i wont to do and those
one who help me and give me some advice i sow it as better
things

more information about me
